

GrafNav/Net and Inertial Explorer Training Seminar

Due to continued customer interest, the Waypoint Products Group will be conducting a training seminar for GrafNav/Net and Inertial Explorer post-processing software **on May 15, 16 and 17 2012 in Denver, Colorado**. Class size will be limited to 20 and will be reserved on a first come, first serve basis.

The course is composed of hands on training intended for end-users performing static and kinematic GNSS and INS data processing. Previous exposure to GrafNav/Net or Inertial Explorer is not required.

We will devote most of the first two days to kinematic and static GNSS processing (GrafNav and GrafNet). **We will begin to cover Inertial Explorer in the latter portion of day 2 and then all of day 3.** Separate pricing is available for those who wish to attend only the first two days which cover primarily GrafNav and GrafNet.

Cost

The cost below includes lunch and refreshments. Entrants must secure your own travel and accommodation. Please see the "Location" section for more information.

- ~Two day GrafNav/Net course: \$600 US
- Three day GrafNav/Net + Inertial Explorer course: \$900 US

Please complete one registration form (page 3) for each entrant. Return each form electronically to support@novatel.com. Once your registration form is received you will be sent by email a confirmation of seat availability. If you prefer to complete the registration by phone please contact David MacDonald (403-730-4124) or Michael Beck (403-730-4110) in Calgary, Canada.

Requirements

Waypoint will supply the software, temporary licenses and training material. *Entrants are required to bring a laptop computer should you wish to process data during the seminar.*

An important part of the course is to gain confidence and experience processing your own data. We therefore invite registrants to bring your own problematic GNSS or INS data, or any data typical of your application. In order to avoid using valuable class time transferring data, please contact support@novatel.com for instructions on how to upload your data to prior to the course.

Location

Hilton Garden Inn Denver-Downtown
1400 Welton Street | Denver | CO | 80202

A group rate of \$169/night is available to all registrants who mention they are attending the NovAtel training seminar. **Room rate and availability are guaranteed until April 16 2012 and**

therefore please make your reservation promptly. Please either contact the hotel directly at (303) 379-0906 to make your reservation use the personalized booking page for NovAtel created by the Hilton: http://hiltongardeninn.hilton.com/en/gi/groups/personalized/D/DENDDGI-NOVA-20120514/index.jhtml?WT.mc_id=POG

The Hilton Garden Inn (like most Denver downtown hotels) does not offer a shuttle service. One way taxi fare from the airport is approximately \$55 or you can make arrangements prior to your arrival with Super Shuttle (1-800-BLUEVAN or www.supershuttle.com).

One way Super Shuttle fare from the airport is \$22 or \$40 round trip. As this hotel is centrally located in downtown Denver, **car rental should not be required and is not recommended** (also please note parking is \$29 per day).
